

Porcelaingres. Native Stone.

With a reference to prehistoric architecture, Native Stone presents an array of neutral colors that match the trends of contemporary design.

Porcelaingres. Timeless.

Porcelain stoneware surfaces. Where Italian design meets German quality.

Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellarano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

Innovation.

We constantly improve our products and services to meet customer and market demands.

Let's start a project.

Together.

Material essence.

A remarkable journey where artistry meets sustainability.

A ceramic slab with a hammered surface, reminiscent of natural stone's look with its subtly shiny accents. Characterized by a satin finish, Native Stone stands out as a source of new life and innovative realities.

Discover the exquisite beauty of surfaces that reinvent nature's masterpieces, all while honoring our commitment to the planet we cherish.

Together, let's create spaces that not only captivate the eye but also nurture the soul.
