Porcelaingres. Timeless.

Porcelain stoneware surfaces. Where Italian design meets German quality.

Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

Innovation.

We constantly improve our products and services to meet customer and market demands.

Let's start a project.

Together.

Cosmo.

The essence of urban living.

Cosmo captures the dynamic blend between the pulsating energy of the city and the serenity of contemporary design, bringing the essence of urban living into indoor and outdoor spaces.

Inspired by vibrant cityscapes, Cosmo's porcelain surfaces offer both durability and style. The collection's palette reflects the timeless elegance of metropolitan life and embraces the raw, industrial beauty of concrete.

Cosmo adds a touch of sophistication that transcends trends. Its minimalist design seamlessly integrates with a variety of styles, from contemporary to industrial chic, making it the ideal choice for those who appreciate subtle luxury and refined spaces.
